

**Sherborne Town Council**  
**Forward Plan 2019/20 -2023/24**

**Appendix C**

**Innovating Sherborne**

No	Title	Description	Priority	Update / Completed
1	Land and Property Asset Review	To expand the remit of the Land and Property Asset Working Group to develop a criteria for assessing all holdings whether equipment, land or property.	1	
2	The Manor House	Significant investment is required hence consider (i) alternative home for STC having consideration for Citizens Advice, Registrars Service and Magna Housing etc (ii) look to develop the car park for housing (iii) dispose of site for development.	1	
3	Attract External Funding	To explore how STC can attract more external funding to enable it to deliver key projects.	1	
4	Work with Dorset Council and the Local Government Association	To develop a meaningful relationship with Dorset Council and the LGA and other partners so that STC is recognised as a service provider, a potential partner and develop a cohesive approach to services delivery.	2	
5	Cheap Streets Future	To work with Dorset Council, Sherborne Chamber of Trade and Commerce and other partners to secure the long term future of Cheap Street as a business location, shopping and visitor destination.	2	
6	CCTV System	To establish if CCTV can be delivered in Sherborne as part of the Pan-Dorset system being developed by Dorset Police and Dorset Council.	3	
7	Community Garden	To work with our Health partners to establish a volunteer developed community garden on STC land.	3	
8	Planning Committee	To review options for STC having a more efficient and effective planning system that constructively contributes to Dorset Councils Northern Area Plans Committee while minimising STC resources.	3
